1. Introduction

REI QuiContract allows you to order and receive sale contract documents online. It's simple. Go to reiquicontract.com.au to register, and then sign in on your smartphone, tablet or laptop to order anywhere and at any time.

2. Register to use REI QuiContract

Our registration form is simple to complete. Credit card details are required at registration, but:

- you will always be shown (and must approve) costs before a card is debited,

- a contract document order commences with a title search which will be debited from the registered card for a cost of \$10 per title, and
- the balance of the contract order cost can be debited either from your client's card or (at your election) the registered card.

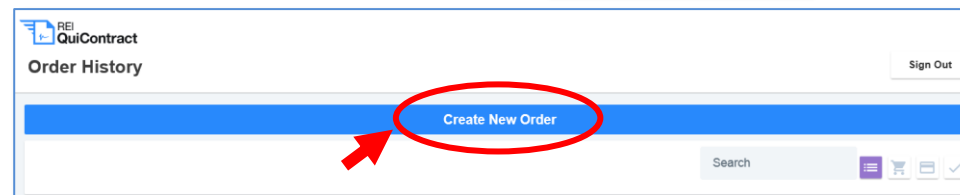

3. Sign in

3.1 Sign into REI QuiContract

When you sign in, enter your registered email address and password and click [Sign In](#)

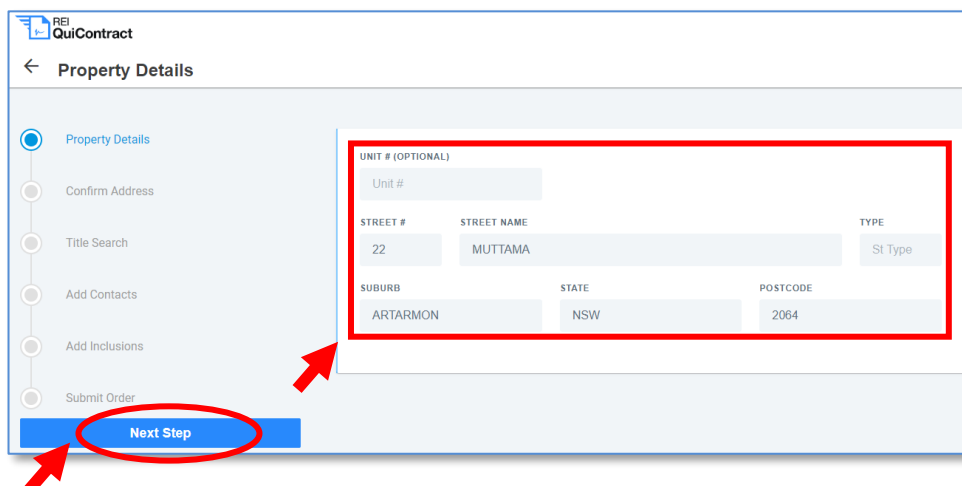

This will take you to the Order History page where you can commence a new order by clicking [Create New Order](#)

4. Order a title search

4.1 Enter the property address

We start with an address search (and don't charge you for this!)

Enter the address then, click

Tips

- (a) If you are having trouble with a strata address, don't include the unit number. Insert just the building street address, and a list of unit numbers will then be displayed.
- (b) If you receive an error, check the following:
 - (i) Is the address numbered and spelled correctly?
 - (ii) Have you added the street "type" in the "street name" field? If so, remove the street type from this field.

- (iii) Did you enter the correct suburb? Complete a quick google search for the address to ensure the correct suburb has been entered.
- (iv) Did you enter the correct postcode? Complete a quick google search for the address to ensure the correct postcode has been entered.

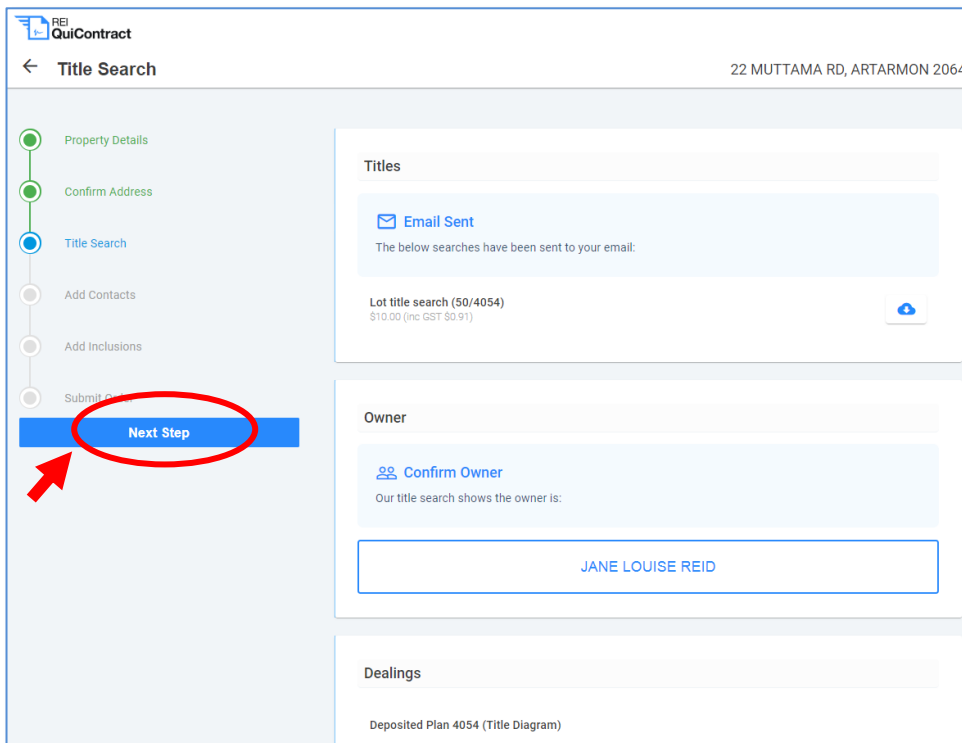

4.2 Select the correct address

Once you confirm the address and click **Next Step** your credit card will be charged a title search fee of \$10 for each title required and the search results will be emailed to you immediately.

4.3 Receive title search

Title details will now be shown as follows on the title search page:

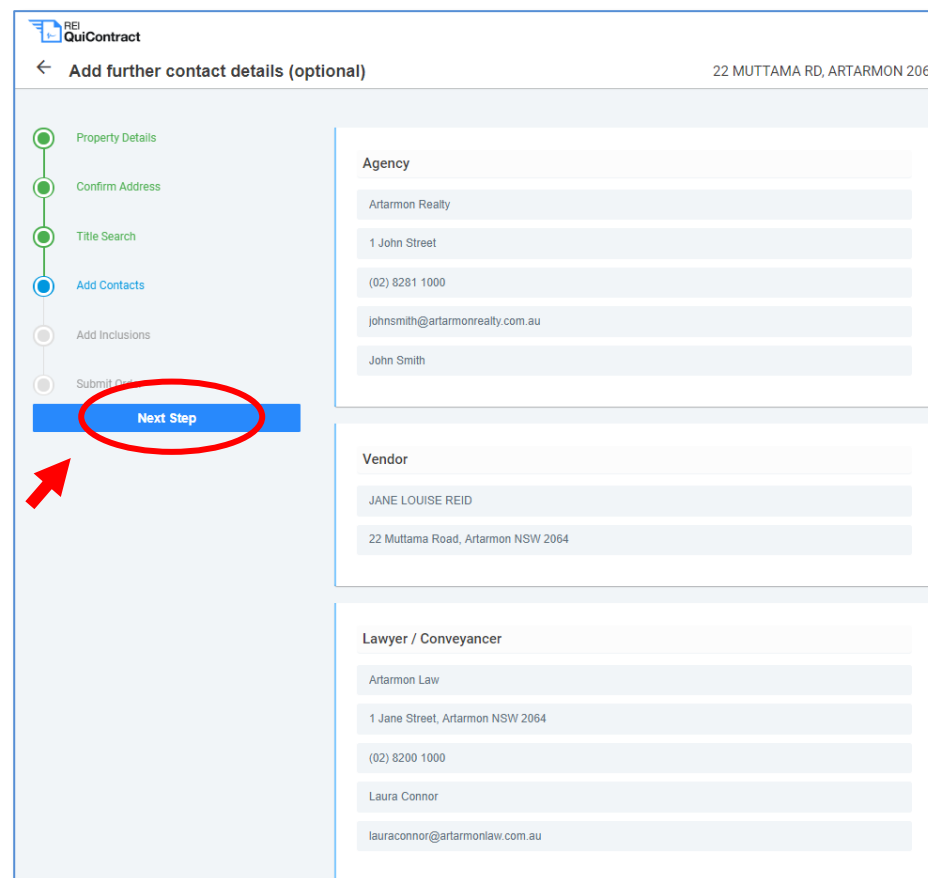

Then click

Next Step

5. Order sale contract documents

5.1 Add/alter sale contract contact details (optional)

The next page displays what contact details will appear on the front page of the sale contract. You can alter your details and add the agency details and vendor address.

Then click

The REI QuiContract Team

If you have any questions, please go to [reicontract.com.au/FAQs](#) where we provide answers to most common problems. If your question is not answered in our website FAQs, please email us on [help@reicontract.com.au](#) or call us on 1300 057 875.

The REI QuiContract may not include copies of all documents prescribed by law to be attached to a contract for sale and should be forwarded to a lawyer or conveyancer for review.

The final email contains the full set of contract documents provided by REI QuiContract:

7. REI QuiContract is not a legal service

REI QuiContract is not a legal service and does not replace the need for you to obtain instructions to settle a contract suitable for exchange. Its purpose is only to expedite preparation of a contract required to advertise a property for sale. And, while the document it produces will normally satisfy all such requirements, it won't always do so and it will never be in a form suitable for exchange.

If you have a word version of the standard sales contract front pages, just recreate the front page and substitute that into the REI QuiContract document. And of course add any other requirements such as a swimming pool certificate and insert your special conditions into the contract at the same time.

If you don't have an Adobe PDF Editor software licence, we recommend you purchase it, because so many contracts are now being prepared electronically and this software makes it so easy to edit, add and collate PDF documents. If you don't have the software, just print the document out and work with it manually.

8. REI QuiContract benefits for you

(a) Avoid upfront costs

If the client or agent has already ordered the sale contract documents through REI QuiContract, you don't have to worry about obtaining search costs upfront from your clients or, worse still, wear these costs yourself until settlement.

If you order through REI QuiContract, you can request clients provide their credit card details and have the costs charged to them directly.

(b) **Expedite standard searches**

If the client or agent has already ordered the sale contract documents through REI QuiContract, you avoid this unprofitable time consuming exercise and get on with just the legal work.

If you order searches through REI QuiContract, you'll find the process easier than through any other search provider.

(c) **Reduce risks of fixed fee quotes**

Increasingly these days, you're expected to quote a fixed fee before a client commits to your services.

If the client or agent has already ordered through REI QuiContract, all the usual title searches and dealings are available to review before a quote has to be given.

If you order through REI QuiContract, you will (for a cost of just \$10 per title search) see how many dealings are required and how much it will cost to order them before committing yourself or clients to any further costs.

9. Helpdesk

Before contacting the REI QuiContract Helpdesk, please go to reiquicontract.com.au/faqs where we provide answers to the most common questions. If your question has not been answered on our website FAQs, please contact the REI QuiContract Helpdesk and quote the following in your request:

- (a) The property address for your order.
- (b) A brief outline of the issue you are having.
- (c) Your preferred method of contact.
